Re: Experience Modification Service – 2019 Renewal

Members of the Rating Board:

The Rating Board's web-based experience modification service provides subscribers with the ability to access, by employer name as well as by Rating Board File Number, the insured's most recent experience modification. Other information, such as classification, issue date and effective date is also available for review on the selected record.

Subscriptions for the 2018 year will terminate at year-end. To maintain service in the 2019 calendar year, a renewal fee in the amount of \$1,300 is required for the first designated user. Additional company representatives may subscribe for an additional fee of \$450 per user. Please note that current subscribers will be able to retain their present user-id and passwords, which will be noted as such on verification of their subscription.

Please complete the [registration form](#) on the Rating Board's website. Upon receipt, you will be assigned a user-id and password, which will be in effect until the end of 2019. An invoice for the experience modification service will be mailed to the address that you provide. Should you have any questions concerning your subscription, please contact Victoria Reyes at (212) 697-3535 ext. 152 or vreyes@nycirb.org.

Very truly yours,
