Re: New York Workers' Compensation 2019 Loss Cost Filing

Members of the Rating Board:

I write to inform you that today, the Rating Board filed its annual loss cost indication with the New York State Department of Financial Services ("Department"), requesting a decrease of 10% in the overall loss cost level in New York State.

Please be advised that the above-referenced loss cost indication is subject to review and approval by the Department. For your information and convenience, the Rating Board's filing, with the explanatory memorandum and supporting exhibits, are available on the Rating Board's website at https://www.nycirb.org/Loss_Cost/2019_Loss_Cost_Filing.pdf.

Very truly yours,

A handwritten signature in blue ink, appearing to read "JA", is written over a faint, larger blue signature that is mostly obscured.
