Re: New York State Workers' Compensation Loss Cost Filing
Effective on October 1, 2019

Members of the Rating Board:

I write to inform you that today, the New York State Department of Financial Services ("Department") approved the filing submitted by the Rating Board for a decrease of 10.0% in the overall loss cost level in New York State, effective October 1, 2019. This approval represents the fourth straight year that the Department approved the loss cost change recommended by the Rating Board's Actuarial Committee.

Loss costs by classification will be published tomorrow under separate cover and will be posted on the Rating Board's website.

Very truly yours,
